

The Patio

2027
SPONSORSHIPS

Brandon & Jessica Jackson

We are excited to share our vision for a new family gathering space in the Lowell District of Downtown Fresno that will bring neighbors, friends, and families together in a safe, welcoming, and enjoyable environment. This community-centered outdoor destination will feature a fun jungle gym for children and a shaded BBQ grilling area for family gatherings. This space will include a beautiful multi-purpose evergreen turf area for games and activities, and string lighting that will create the perfect atmosphere for memorable evenings. Our goal is to create a place where families can connect, celebrate, relax, and build lasting memories together.

As Downtown Fresno continues to grow, so does the need for family-friendly spaces that encourage healthy recreation, meaningful relationships, and community engagement. This gathering area will provide opportunities for birthday parties, neighborhood events, family picnics, youth activities, and informal community gatherings throughout the year. More than just a recreational space, it will serve as a place where children can play, parents can connect, and families can enjoy quality time together in a beautiful outdoor setting.

Our goal is to work together with business and community leaders in an effort to create something amazing for our community.

We invite you to become a part of this exciting project through our Patio Sponsorship Program. Individuals, families, businesses, and community organizations can participate through a variety of sponsorship levels designed to help bring this vision to life. In addition to financial contributions, we welcome in-kind donations, volunteer support, construction partnerships, landscaping assistance, and other resources that can help make this project a reality.

Your partnership will help create a lasting community asset that families can enjoy for years to come. Every contribution, regardless of size, brings us one step closer to building a beautiful gathering place that promotes connection and recreation. We hope you will consider joining us as a Patio Sponsor and investing in a project that will enrich the lives of countless families for generations. Thank you for your support, generosity, and commitment to strengthening our community.

Major Budget Items Needed for This Project

A spacious, colorful play structure designed to inspire adventure and imaginative play for children of all ages. Featuring a soft safety surface that provides a comfortable and secure place to explore.

Our outdoor gathering space combines year-round evergreen turf with a resurfaced multi-use asphalt area. It will create the perfect environment for picnics, youth activities, and everyday neighborhood connections.

A premium shade canopy specifically designed to cover the play structure. This will block harmful UV rays so children can enjoy safe, comfortable outdoor play.

A stylish modern slat fence paired with two electronic sliding gates that offers privacy and safety. It will also create an attractive and secure gathering place for the entire community.

A top-of-the-line portable barbecue grill designed for durability and convenience. Ideal for community events and outdoor recreational activities.
