## Missions

Brandon, our full-time missionary in Peru has been busy working on the field, helping churches, helping drill water wells, and just sharing the Gospel. Brandon is state-side for Christmas and New Year, but he'll be heading back in January to continue doing missions.

We ask for your prayers and support to help us continue doing missions and share the Gospel.

## Pastors' Conference 2025

In November, we hosted a pastors' conference in Jesus, Cajamarca, Peru. The two-day event took place on November 8–9 and brought together 40 Peruvian pastors. We were blessed to serve alongside five pastors and one deacon from various churches in the United States.

Our team was in Peru from November 7–12, during which we also visited several local churches to build partnerships and lay the groundwork for future ministry projects. By God's grace, and through your faithful prayers and generous support, the conference was a great success. It was deeply encouraging to meet pastors who remain steadfast in sharing the Gospel—many of them walking 3–7 hours each way just to gather with their congregations.

Please continue lifting up these pastors and their churches in prayer. Pray also for our team as we move forward with plans to equip, train, disciple, and proclaim the Gospel in this region. We truly appreciate your ongoing prayers and support for the projects ahead.

## Christmas 2026

Through our support, we successfully reached two distinct mission locations during the Christmas season. The teams shared the joyful message of the Gospel with approximately 2,200 children and many adults, visiting diverse areas including a hospital, rural towns, and city streets to spread hope and love. In total, 2,200 children received special Christmas gifts, bringing smiles and reminding them of God's care.

This outreach not only provided tangible gifts but also planted seeds of faith, demonstrating Christ's love in action during this meaningful time of year.

A heartfelt thank you to all the dedicated contributors, volunteers, and supporters whose generosity and prayers made this possible—your efforts truly made a difference in countless lives!
