Next go to Lucca, a beautiful walled city with cobblestone streets where you'll have time for independent exploration and lunch. You might choose to visit some of the hundred churches for which this small city is known, admire the medieval architecture of the towers, or buy a souvenir from the shops specializing in artisanal paper, ceramic, jewelry, and leather products. This evening, visit Fattoria

## **Tuesday, May 18 - Cinque Terre**

Embark on a full day visiting the Cinque Terre, a string of five picturesque fishing villages perched on the Italian Riviera, accessible only by train and hiking trails. Take in the sights of fishing boats in the harbors and lemon trees on the hillsides, and stroll the streets with their stone houses, medieval churches, and small boutiques.
