

Agenda for Emergency Management Informational Meeting on Storm

Cleanup and Recovery

Date: July 8, 2026

Time: 8:00 AM

Location: EMA Office, 700 Industrial Road

1. Welcome and Introductions

- Opening remarks from EMA
- Introductions of all attending agencies and departments

2. Overview of Storm Impact

- Summary of countywide damage reports and assessments
- Identification of immediate operational needs

3. Updates from Key Departments

- Engineer's Office:
Crew/equipment and operational status
- Funding reimbursement considerations for overtime and resource utilization
- Sanitary Engineer:
Status of pump stations operating on generators
- Clarification of backup power responsibilities and continuity planning

Health Department (Ryan Tekac):

- Public health concerns related to storm impact
- Environmental health monitoring and community advisories
- Sheriff's Office:
Safety updates and enforcement activities
- Traffic control, road closures, and public safety coordination
- Auditor's Office:
Clarification on Property Damage Forms
- Guidance on documentation requirements for residents and departments

- Prosecutor's Office:
- Legal insights on rights, responsibilities, and county liability
- Guidance on laws affecting cleanup, access, and enforcement
- Solid Waste / Recycling (Lou Vega):
- Debris cleanup logistics
- Disposal site availability and debris handling procedures

4. Coordination of Cleanup Efforts

- Roles and responsibilities among county, municipal, and contracted crews
- Prioritization of critical areas and workflow sequencing

5. Debris Management Strategy

- Approved locations for debris disposal
- Assignment of responsible parties for debris removal and transport
- Discussion of debris categories (vegetative, construction, hazardous)

6. Assessments beyond Fallen Trees

- Identification of structural, infrastructure, and environmental concerns
- Process for expanded assessments and reporting

7. Communication Strategy

- Establishing a centralized communication channel for all agencies
- Ensuring timely updates and consistent messaging to the public
- Coordination with municipal partners and state agencies

8. Discussion with County Commissioners

- Overview of state and federal assistance options
- Challenges in securing funding and navigating reimbursement processes
- Strategic planning for long-term recovery
- Prosecutor's guidance on legal allowances, constraints, and liability

- Funding challenges and reimbursement pathways for overtime and emergency expenditures

9. Next Steps and Action Items

- Summary of decisions made during the meeting
- Assignment of follow-up tasks and responsible parties
- Timeline for next coordination meeting

10. Open Floor for Questions and Discussion

- Additional concerns or clarifications from attendees

11. Closing Remarks

- Recap of key points
- Confirmation of next meeting date or follow-up plan
