

Twenty years ago, the **Children's Starlight Fund** was created as a way to support the medical needs of sick children hospitalized at Memorial Health System. As our friend, we are asking for your continued support to join us for the Children's Starlight Fund's 20th Annual Event on Saturday, March 28, 2026!

OUR MISSION

No cause is more noble than alleviating the pain and suffering of a sick child. That's the driving force behind the Children's Starlight Fund's 20th Annual Event & Auction.

As we begin the 20th year of the Children's Starlight Fund, our project became clear to us - a premier birthing center right here as part of Memorial Health System of Southwest Oklahoma. The Memorial Health Foundation will be looking to help meet the funding needs as the Southwest campus is planned to become the site for our future premier birthing center. The vision includes expanded labor and delivery services and the relocation of the Neonatal Intensive Care Unit (NICU) creating a dedicated, family-centered environment for mothers and babies. The site will undergo renovations that will position it as a specialized hub for Women and Children's care.

In order to reach our goal of funding the birthing center, we are asking for your support. You can participate as a sponsor, provide an item for our Starlight Auction, purchase tickets to attend our event, or simply make a donation. Every donation counts!

We hope you will support the Children's Starlight Fund and join us in supporting this worthwhile cause.
