LIMITATIONS OF USE

1. Specific protection:

- Designed for mechanical risks: cuts, abrasion, back-of-hand impact, and light vibration.
- Does not provide protection against electrical risks, fire, high temperatures, or chemicals.
-
- Not to be used for welding.

2. Glove Integrity:

- **Do not use** if there is excessive wear, tears, or significant loss of coating, or if visible damage is present on the palm or fingers
