# LIMITATIONS OF USE

## 1. Specific protection:

- Designed for mechanical risks: light cuts and abrasion.
- Does not offer protection against electrical hazards, fire, high temperatures, or chemicals.
- Not to be used for welding.
- Do not use in the presence of oil or grease.

## 2. Glove Integrity:

- **Do not use** if there is excessive wear, tears, or significant loss of coating, or if visible damage is present on the palm or fingers.
