

SPECIFICATION SHEET

GK-15GT

Grey double knitted glove featuring a terry exterior for enhanced heat resistance and a smooth polycotton lining for comfort, with loops at the fingertips for added durability. Designed with extra heavy weight for demanding tasks.

BENEFITS

- Flexible for ease of use.
- Suitable for handling thermal pieces.
- Ideal for managing medium-weight components.

OPERATIONS

- Suitable for handling thermal components intermittently, up to 250°C for 15 seconds.
- Designed for manipulating dry or wet pieces and managing items coming out of painting ovens.

LIMITATIONS OF USE

1. Specific protection:

- Designed for mechanical risks: light cuts and abrasion.
- Does not offer protection against electrical hazards, fire, high temperatures, or chemicals.
- Not to be used for welding.
- Do not use in the presence of oil or grease.

2. Glove Integrity:

- **Do not use** if there is excessive wear, tears, or significant loss of coating, or if visible damage is present on the palm or fingers.
