“At Need” FUNERAL DISBURSEMENTS

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time the contract is entered into. The disbursements are paid at an “at cost” price and we do not add a surcharge or carrying fee to provide this service. The following are some items that are often identified as disbursements.

- ✦ **Coroner's fee** – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.
- ✦ **Clergy honorarium** – this is an amount paid to the clergy/officiant for their services. In some cases, the amount is set by the clergy, in others it is an amount to be determined by you.
- ✦ **Newspaper or radio notices** – these are charges for death notices placed in newspapers or radio or other media outlets.
- ✦ **Municipal death registration fee** – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.
- ✦ **Organist/Pianist** – this is an amount paid to the organist to perform their services at either the funeral home or other place of ceremony.
- ✦ **Cremation Charges** – this is an amount paid to the Crematorium to have the deceased cremated either before or after the visitation and/or ceremony.

Payment and funding - We are proud to offer payment and funding options to our clients

Payment: Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash, cheque and most major credit cards (credit card payments will only be accepted up to 5 days after our services are provided). Beyond the allotted time, interest will be charged at a rate of 1.5% which is equivalent to 18% per annum (APR). If you are prepaying for services or supplies, pre-authorized chequing is also available.

Funding: For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

Trust: We will assist you in placing your funds in a trust account (Guaranteed Funeral Deposits of Canada), it will accrue some interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled. Mostly utilized for short term situations.

Insurance: You may enter into a Funeral Insurance Group Annuity Policy which offers protection and easy monthly payment options; the funds in the insurance policy will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled (some limitations and/or restrictions may apply).

Additional information about our payment and funding options are available upon request.
