Business Grants Guidelines

1 September 2024

The Business Development Journey sees a business develop from a bright idea, through to an established and sustainable business. Aboriginal Investment NT's **Business Grants** provide grant funding to help Aboriginal Territorians to start or grow their business.

The **objective** of our Business Grants is to increase the size, scale, diversity and maturity of NT Aboriginal businesses, as well as the number of Aboriginal Territorians employed by NT Aboriginal businesses.

Grant overview

\$7.5 million in grant funding is available each financial year to support the following Aboriginal Investment NT Business Grant streams:

Business Start-Up Grant:

You can apply for up to \$100,000 (GST exclusive).

You can access a Business Start-Up Grant once only.

Business Growth Grant:

You can apply for up to \$150,000 (GST exclusive).

You can access a Business Growth Grant a maximum of once every three years for a discrete growth project. There will be two grant funding rounds per financial year, each open for three months. See our website for grant funding round timelines.

Grants are non-competitive, which means eligible applicants can apply at any time during an open grant round, although grants will be awarded on a first-come, first-served basis. Applications will be assessed individually against the selection criteria and awarded in the order of application. Any funding decisions in relation to your application will be determined without reference to the comparative merits of other applications.

Applications that meet the eligibility criteria will be assessed and you will be notified of the outcome within three months of the grant funding round closing.
