

Cremation Packages & Permanent Placement Selections

Sharing memories and *telling stories* of a special life
Every life is unique—and every story deserves to be told.

At Baue Funeral Homes, we believe in honoring your loved one through meaningful moments of remembrance—whether that's a traditional ceremony, a celebration of life, or a private gathering. Sharing memories and telling stories is a powerful part of the healing process, and we're here to help you create a tribute that reflects a life well lived.

Cremation Choices

There are many meaningful ways to honor your loved one. If cremation is your choice, here are some of the options.

- **Community Celebration** - This package is when traditional services are chosen which include a visitation and funeral service with casket present and cremation to take place after.
- **Family & Friends Goodbye** - This package is when a memorial service or gathering takes place as “in memory” of your loved one. Rather than having a casket present, a memorial urn, photo or other items serve as the focal point.
- **Private Informal Goodbye** - This package includes cremation with no services.

Why Choose a Final Resting Place When Choosing Cremation?

When families experience a loss, peace is found in having a dedicated place to visit, reflect, and remember.

While keeping a loved one's urn at home can feel meaningful in the immediate time after a death, home is not a final resting place and choosing a permanent place for your loved one to be laid to rest provides lasting benefits. When we don't plan for this, urns can get lost or passed down to future generations-leaving children or grandchildren unsure of what to do. This can unintentionally create a burden as they become caretakers of multiple family members' remains.

Choosing a permanent resting place ensures your loved one has a dignified, enduring tribute that tells their story and honors their legacy. It gives future generations a place to connect with their history, while relieving them of the emotional weight of making difficult decisions later on. Everyone deserves a beautiful final resting place.
