THE STORY OF MEXICAN VILLA

In 1943, Garin "Hargrave" Ferguson left Springfield, Missouri and was commissioned in the Army Air Corps to join in the fight at the height of WWII. Shortly after, he successfully proposed to his hometown girl Betty and became a husband, pilot, and then flight instructor at the prestigious Randolph Field in San Antonio, Texas. While serving there, Garin & Betty developed a love for Tex-Mex style food. After the war they would bring that love back to Springfield where it would develop into a dream that all could enjoy.

Once home, Garin ran a successful crop dusting business tending and seeding crops from the hum of his Stearman biplanes. The Fergusons employed several other pilots and helped farmers as far as Tunica, Mississippi.

In 1951 the dream of a restaurant was realized when Garin and Betty took ownership of "Pig-N-Bun" at National and Bennett. With the help of friends and his own memories Garin created Springfield's first Mexican food, and those recipes are still used to this day.

In the late 50's the restaurant was moved and became "Old Mexico" on Glenstone. "Pig-N-Bun" became "Italian Villa" but when the owner retired, the Fergusons moved back to that location and changed the neon on the sign from "Italian" to "Mexican". The name "Mexican Villa" was born.

For over 70 years we've continued to grow in popularity and into new locations to serve you better! Now, with 3rd generation family ownership, it is still an honor to be a part of the lives of our friends and neighbors right here in the Ozarks. We could not have done it without all of you. We are writing our own history, together.

Did U Know?

EVERY DAY WE COOK FROM SCRATCH, AND USE FRESH VEGETABLES, REAL CHEESE, ZERO TRANS FAT AND PURE BEEF. WE BOIL THE BEEF TO REMOVE FAT AND GREASE. EACH WEEK WE COOK AND GRIND OVER THREE TONS OF CORN INTO TORTILLAS THAT ARE USED FOR CHIPS, TACO SHELLS AND ENCHILADAS. WE ALSO MAKE OUR OWN HOT, MILD AND TACO (SWEET) SAUCES AS WELL AS OUR OWN SPICE MIXES FOR OUR GROUND BEEF AND ENCHILADA SAUCE!
