

Congregate in a residency for 80 hours with your fellow Teacher candidates

- Before, after or during your Internship of 400 hours, as Teacher candidate, you participate to the MACTE mandatory Residency component of 80 hours.
- To earn the MACTE accredited Montessori Diploma, each Teacher candidate, who has completed the five avenues of the program has to fully participate in the Residency component during six specific weekends. You must attend in-person at the training location or as an alternative measure due to a very far distance from the training location in the Greater Toronto area, connected by Zoom to the trainer in a Montessori School near you.
- In residency, Teacher candidates spend their time to recapitulate the presentation of activities with view of Performance Examinations in each of the classical avenues of the curriculum; the dates on this weekend Residency calendar gives you time targets.
- After 80 hours of residency, Teacher candidates complete their Residency by doing their Final Written + Practical Examinations.
- Completion of the Online/Hybrid Coursework, Internship and Residency experiences lead to the award of the MACTE accredited Montessori Diploma. Moreover, it is opening the doors to the child's world for you and the Montessori world as well.
- Bear in mind that this certification is more than a certification; it is a *transformation*.

Early Childhood Residency	# of days	Dates	Cumulated Hours
Practical Life (Section 1-5)	2 days in January 2026	January 24 th , 2026 (Saturday) & January 25 th , 2026 (Sunday)	16 hours
