Trinity Sunday

The Trinity has never been a math problem. Three-in-one, one-in-three — generations of theologians have tied themselves in knots trying to make the arithmetic work. But perhaps Trinity Sunday invites us into something far more alive than a doctrine to be solved.

What if the Trinity is, first and foremost, a portrait of presence? Father, Son, and Spirit — Creator, Redeemer and Sanctifier as we sometimes hear it — exist not as isolated powers but as ways of being in the world. Ways of being present in with and under humanity and the whole of creation. Love flowing outward, being received, and flowing back again.

It is that presence, that connection, that mutuality, that encounters us even in the deepest, darkest and most chaotic moments of our lives. In the Trinity, we find a God that meets us where we are, that comes to us, finds us and loves us whenever and wherever we need it most. And a God that is always with us, in worship, in the sacraments, in our brothers and sisters in Christ and in the bounty of creation.

This Sunday, we don't need to explain the Trinity. We simply need to experience it in the loving presence who promises "Remember, I am with you always to the end of the age." (Matthew 28:20)

See You Sunday,
Rev. Michelle

Changes to Our Staff

After thoughtful prayer and discernment, St. George's is moving in a new direction with its music ministry. As a result, we are not renewing John's contract. He will continue with us through the end of summer. We are grateful for the ministry that both John and D'Anna have blessed us with over the last eight years and we will all have an opportunity to celebrate his eight years of ministry with us closer to his departure date. We have formed a search committee to begin the process of seeking a new Director of Music consisting of Rev. Michelle, Mike Fanfair Sr, Ruth Jeffrey, Deb Sawyer, Dot Vangel & MaryLou Johnstone. Our goal is to create a music program that offers accessible music oriented to our small choir and congregation, moves to a greater focus on congregational singing, and adds both traditional and newer music to our services. Members of the search committee welcome ideas and feedback from across the congregation. Changes like these are always difficult, and we will continue to keep John and D'Anna in our prayers. We will also continue to provide periodic updates on the status of our music ministry in the eBlast.

Textile Drive

Do you have old, stained or damaged clothing, sheets, bedding, purses or other textiles laying around your house? Now is the time to bring them to church. This Spring we will be participating in the textile drive for the Oakland County Foster Closet. They get paid by the pound to recycle old material so all that stuff that is too damaged to donate elsewhere can help support kids in need. See flyer below for exactly what they take and how to package it. Special pink bags are available at church in the narthex and fellowship hall. Please return items to be recycled to the first classroom next to the kitchen off the fellowship hall. If you have other higher quality still usable/salable items you can package them separately and put them in the hall by the bathrooms. Adult items will go to Grace Centers of Hope and kids items and luggage will go to the actual Foster Closet (see flyer below for their needs).

Braver Angels Citizen Led Town Halls

We had a successful meeting last night with about 20 people from the community attending the first session of our Citizen-Led Town Hall meetings. The second meeting, a Citizen-Led Town Hall on **June 23, 2026, 6:30-8:30 pm**, is focused on identifying mutually agreeable actions that address those challenges. The third Citizen-Led Town Hall meeting on **July 29, 2026** will focus upon planning and supporting the actions identified in the second meeting. Come and help us start the conversation! See flyer below for more info and feel free to invite your friends and neighbors
