

St. George's Episcopal Church, Milford

Sept 18, 2025: EBlast

TIME AND TALENT

There are many moving parts that make up the whole of St. George's and its ministries. Some take a lot of time and talent, others, though important, do not.

Here are a couple of ministries that *don't* take a lot of time or talent, just your willingness to participate. Both are in need of additional people to help keep things running smoothly. Does one (or both) appeal to you? If so, contact me or Rev. Michelle by phone, email, text or at church to let us know you are interested.

READERS

Each Sunday lay people sign up to read the first and second lessons at the 10:15 service. If you feel reasonably comfortable reading in front of a group, are able to walk up to the podium and back, and can respond to a monthly message from our verger regarding your availability... You're in! It's that easy. At 8:30 you don't even have to respond to an email, you just say yes when Deb asks you at the door.

Having a multiplicity of readers and voices keeps our services fresh and interesting. It's a small expenditure of time with a big payoff in terms of impact and personal satisfaction.

STREAMERS

The Stream Team uses the PC in the back of the sanctuary to stream services for those who can't attend in person. The 8:30 service is streamed on the first Sunday of the month; the 10:15 services are streamed the rest of the month.

If you can log onto a computer, follow instructions, and use a mouse you can stream a service. New members performing this important ministry get all the help they need from an experienced streamer before going solo. And even then, tech support is available when needed. We are currently a team of three, allowing for little wiggle room when timing conflicts come up. We could use at least one or two more streamers. 🙏

FOR MORE INFORMATION

If you are interested in participating in one or both of these ministries, please contact me or Rev. Michelle. As mentioned above, you can reach out via phone, email, text or in person to discuss.

Your time and talent are valuable and valued gifts to our church!

In Christ,

Ruth Jeffrey
Sr. Warden

Baby Shower for the Tafels - Sunday Sept 28

Come and celebrate our newest tiny member at and after the late service.

Here are some suggestions that would make a nice gift even though Megan assures us we should not feel obligated :) They have a small Amazon registry here:

<https://www.amazon.com/baby-reg/meganbrett-tafel-may-2025-linden/3H54XRRNLVBQ7>

Joyce is collecting donations for gift-centerpieces. Caroline is suggesting children's books instead of cards. They are using Enfamil Reguline formula and Pampers Swaddlers diapers (Size 2 or 3 to save for later) and any kind of wipes. Megan says they have all those clothes and nursery items you can imagine.

Such a wonderful and joyous gathering for our littlest St George's member and to celebrate Brett and Megan. Let's have a great turnout for our young family of 3!

Bound Together Snack Collection

We are collecting snack items for Bound Together in September. Please consider contributing 64oz shelf stable bottles of juice and shelf stable snacks like Goldfish, Granola/breakfast bars (no nuts, but some fruit!), Chips, popcorn (we love baked/popped - and some spicy items will get a cheer), Fruit snacks or Pretzels. Items can be placed in the Blue bin in the Narthex.

Braver Angels Community Event - Tues Sept 23

This is a community meeting trial run, the title is "Keeping our Community Strong", and we are asking people to participate in the dry run and give us feedback on the effectiveness. As participants, they will listen to each other present concerns and ideas about strengths and needs for the community in the context of the recent changes in funding and other actions of the administration. This will be a

bipartisan discussion, allowing for expression of diverse points of view in a strictly governed and respectful conversational process. The process will be about 90 minutes. 9/23/25, 6:30 to 8:00 pm, at St George's and we will likely provide some food as well. Please see Steve Vangel with questions and for more information.

Crossroads Soup Kitchen - Oct 19

Mark your calendars, we will be doing our annual service at the Crossroads Soup Kitchen on Sunday Oct 19. In the meantime, we are collecting adult sized warm and outdoor winter clothing, coats, boots etc, to bring with us. Items can be left at the far end of the bathroom hallway. More information and sign-ups to come.

Vaccine Clinic Oct 5 9:30-12:00

There is a lot of craziness in the news right now about vaccines, but they remain as important as ever. We plan to proceed with our vaccine clinic from Kroger this fall as normal. They plan to continue to provide all the traditional vaccines (flu, shingles, pneumonia, tetanus etc) at no cost for those with Medicare or commercial insurance and as of right now they plan to offer the latest COVID vaccine free at least to those 65+ or with risk factors. Don't miss this opportunity to protect yourself and those you love from preventable disease this fall.

Join the Altar Guild

We have had some change over (both people joining and stepping away) on the Altar Guild and we need some more assistance. Being a member of the Altar Guild at St George's is more than just setting the Lord's table... One Saturday a month we meet our partner (for 30-45 min) and begin to connect with the Holy Spirit in a unique and quiet way. It can be meaningful and purposeful to assist with laying the linens, setting up eucharist elements, placing the vases out for the flowers, ensuring the Gospel is marked for our reading, and filling the candles with oil.

Other various occasions bring some additional tasks but these are often tied with worship. Altar Guild Members also set the altar for funerals, weddings, and baptisms.

All is in the Lord's Service, a gift of our time for the glory of God and for our neighbors. We are currently Caroline L., Felicia I., Megan T. Lisa D. and Nancy P. with Barb B. assisting as she can. Come and talk with us after a celebration of the Holy Eucharist.

You might be inspired to learn more about this deeply special ministry and want to join us. Many hands make the Lord's work light and no burden.
