Dr Ward was present for a portion of the Dec meeting, is aware of the issue regarding executive board members being employees of the district, he and others are looking into this and he will not let policy make it any harder to get help or volunteers, Rhonda's name came up and is very much involved, stay tuned. Nancy added that policy changes take 2 readings and a vote

**Concessions – Jill/Angie:** need to send email to Steve Johnson/Dennis requesting a key to the room next to inside concessions. We have not had access to the extra key hanging up in the janitor room and have all of our backup cold drinks located there. We will also be purchasing a stand up freezer for inside concessions so we don't have to move the one from outside, the chest freezer doesn't hold as much product so we have to shop more often. Unplugged all pop machines outside and will do the same with refrigerator and freezer outside for the winter.
