Treasurer's Report – Mike: Checking \$231,163, Pull Tab \$16,123, Savings \$28,771; Football has a prospective machine placement at the Garage Bar in Willoughby, just waiting for a meeting date. Liz's machine is still out there and she is hoping to find a place for it this week. BW3 machines have been in place since last March right around college basketball playoffs, Jeanne's is good, Crowley's is good. Got a contact name from Chase Bank to talk about investing scholarship money, it is legal for a 501C3 to invest. Will be handing in taxes to Didonato this week.

North Principal Report – Victor: Students are in the process of scheduling for next year, many opportunities in the capstone classes to make it what you want; study for a license, fill out FAFSA forms, research colleges. Flexible learning space – complete core requirements at their own pace with teachers present, multiple periods and can take math, English, etc. Talking to TECC kids, trying to give options that will hone a new set of skills, maybe enjoy coming to school. Will talk to Russ about the other two keys for inside concessions.

Athletic Director – Dennis: Winter is just about wrapped up, 3 wrestlers left this weekend for a tournament and then states. Both Softball and Baseball teams will be going to Myrtle this spring, Boys Volleyball will likely not be enough people to worry about concessions, Flag Football games on a Sunday back to back, Ranger Invitational 4/10, we will do coaches vouchers for concessions. Need to add middle school track meets to sign up genius.

Concessions – Jill/Angie: Still need 2 more keys for inside concessions as Angie is the only key holder that can access both inside locations.

Membership –Karin Zito and Matt Newberry were the only two new members for Boosters from North Experience Night in January. We picked a name and Karin Zito is the winner of 6 front row graduation tickets, will send her a message and find out what year she wants them for

Sunshine – Nancy –

Volunteer – Courtney - will finish Sign Up Genius once she has the middle school dates from Dennis.
