Financial Commitment for Non WBC Members

The tuition rates of Wilton Baptist Academy are extremely low when compared to the average cost per child in public and private schools - especially in light of the strong academic and spiritual expectations at Wilton Baptist Academy. Tuition income accounts for about 35% of the academy's total operating budget with the remaining balance met through gifts and Wilton Baptist Church's annual budget.

Wilton Baptist Church is aware that for many families it is a real sacrifice to meet the tuition payment each month. The value of a good Christian education cannot be measured by the cost. Although the investment in a quality Christian education is significant, so are the results. May your commitment to that end be met by our God who is able to supply all your needs according to His riches in glory. Claim Philippians 4:19, *"But my God shall supply all your need according to his riches in glory by Christ Jesus."*

Wilton Baptist Academy primarily admits students whose parents are active members of Wilton Baptist Church who are committed to attending all services and special meetings. Families from churches we have invited are welcome. **Parents must be faithful in tithes and offerings in their Local Church.**
