## WHY CHOOSE US?

# WHY CHOOSE US?

## WHO WE ARE

### **LOCAL & CANADIAN**

As a Canadian company, we see value in supporting and partnering with fellow Canadian companies. We are proud of our long-time partnership with PH Tech, Rotofrank, Entryguard Doors, and 24 Hour Glass.

### **TRUSTED**

Our commitment to quality has been proven over the past 30+ years. We continue striving to produce quality products and services, resulting in satisfied and returning customers.

### **AWARD WINNING**

We are honoured to have been nominated and won the 'Favourite Windows' category in the Readers' Choice Awards from 2012 – 2020, through the Peterborough Examiner.

## QUALITY & EFFICIENCY

### **UNSURPASSED QUALITY**

You will not find similar products at a lower price. We manufacture and install quality products that are unsurpassed in the Canadian market place.

### **ENERGY STAR COMPLIANCE**

Our windows are certified under the National Fenestration Ratings Council and qualify under the Canadian Energy Star Initiative. We also offer EcoResponsible PH Tech extruded vinyl windows.

### **ENERGY EFFICIENT**

Our products are manufactured with energy efficient glass units and vinyl extrusions. These help to increase the comfort of your home and will save on energy costs – both when heating and cooling.

## OUR SERVICES

### **NON-COMMISSIONED SALES**

Our highly qualified, non-commission sales staff will assist you with every aspect of your purchase; without the pressure of commission based tactics.

### **INSTALLATION**

We offer a complete installation service by our qualified and experienced installers, ensuring a thorough job from start to finish.

### **COMPREHENSIVE WARRANTY**

Our products are backed by a comprehensive warranty. We do not view a warranty as a marketing tool, but rather a guarantee to our valued customers.
