

2025 Oct 5<sup>th</sup> CUSTOMER APPRECIATION DAY-To show our appreciation for your contribution to our growing success we would like to offer you a plant at 50% off. This great event is one day only Oct 5<sup>th</sup> from 10am-5pm so get preparing to spend the day with us to take part in these awesome need to know seminars:

**11:00am- "Building Vibrant Soil"**-Craig Schaaf will speak on enriching your soil with beneficial fungus and microorganisms, which will make your plants thrive.

**12:15pm-"Preping Your Garden For Winter & Perennial Divisions"**-Terry Bertrand will speak on the necessary steps that you have to do in order to put your landscape to bed for the winter as well as teach you to divide your own plant to make more or share with a neighbor or friends.

**1:30pm-"Pollonators and Butterflies"**-Cindy Roach from the Butterfly House will be giving a presentation on the essentials of pollinators in your garden and the beneficial plants. If that's not enough, she will also be doing a butterfly release and hopefully each person present will get to release a butterfly.

**2:30pm-"Fruit Tree & Fruit Bush Care"**-Gordon Coy will be building your confidence on pruning do's and don'ts to get the most production and the healthiest fruit tree and bushes.

**3:30pm-"Hardscapes And Trickle Irrigation"**-Jason Seabolt and his crew will give the basics on how you can install great pathways, rock walls and patios. In addition, they will show you how to install your own trickle irrigation to ensure it's needs—Water.
