

2027 *Hospice of the Ozarks*
AFFILIATED WITH BAXTER HEALTH
PET PEACE OF MIND®
CALENDAR

Dear Friends,

I hope this message finds you well and enjoying the longer days. The heat of July always ushers in the cherished Pet Peace of Mind Calendar and we would like to invite you to continue sponsoring this vital program.

Since its inception in 2018, this calendar has served as the primary fundraising tool for the Pet Peace of Mind Program, which provides essential services and support to the pets of our patients. Sadly, many voiceless animals can be neglected, or resources are simply insufficient to care for them. This program provides care and, when necessary, rehomes the pets of those who are seriously ill or belonged to patients who have died.

Hospice of the Ozarks is dedicated to stewardship for our patients, families and community supporters. It is because of support like yours that we are able to provide patients and families with more options when caring for a loved one. Once again, I extend a heartfelt "thank you" for your previous year's support of the Pet Peace of Mind Calendar and invite you to partner with us this year. We couldn't do it without you!

For further information or if you have any questions, please do not hesitate to reach out to Marta Rose Bistey at mbistey@baxterregional.org or call (870) 508-1771.

Keeping people and pets together during hospice care.

Respecting and encouraging
that special love and bond.

Our hospice patient saying his
final "goodbye" and giving his
dog Bonnie the blessing to go
live with her new family.

Understanding and supporting
grieving pets.
