A note from the pastor

The Glorious Epiphany of Our Lord

January 6, the Maronite Church, celebrates the Glorious Epiphany of our Lord. The Feast of the Epiphany was first celebrated in the Eastern Church in the third century and eventually adopted in the Western Church. This feast is also known as the Theophany. Epiphany is a Greek word which means a “manifestation” or an “apparition”. In Syriac, this word is “Denho”. Theophany means “an appearance of God”. Epiphany because on this day we celebrate the appearance or manifestation of Christ among us as God’s son and Theophany because for the first time in the Bible, the Holy Trinity was revealed, Father, Son and Holy Spirit at the Baptism of the Son.

At The Epiphany water is blessed with a lighted charcoal which signifies the fire of the Spirit who entered the Jordan River at Christ’s Baptism. In our Maronite liturgy, this is the meaning of the ritual of immersing the inflamed charcoal in the water. It is like mixing fire and water, the fire represents divinity and the water represents our life or the material world. Symbolically, when our Lord went into the water to be baptized by Saint John the Baptist, he sanctified the water, the essential element of life.

The water symbolizes the origin of creation and of every creature which is in need of sanctification through the Holy Spirit. This water is then sprinkled on the congregation by the priest reminding them of their own baptism in which they put on a robe of Christ and were cleansed from their original sin. The water is also taken home and can be sprinkled or consumed so that the Holy Spirit may sanctify us and our material world submitting everything to the will of God.

Note: Epiphany in the Roman Catholic Church, is the Manifestation of the Divinity of Jesus Christ at the visit of the Magi/ kings.

In the Eastern Churches, Epiphany/ Theophany is the Manifestation of The Divinity of Jesus Christ and The Trinity at Our Lord’s Baptism.
