Bem Vindo!

Welcome to Quinta do Gaio de Cima

Gaio de Cima is one of the oldest stops in Portugal. This is where the Royal Road used to pass, connecting Lisbon to Porto for centuries and centuries. The house, which dates back to 1759, is an example of traditional Portuguese style and one of the most romantic in our country! Located in Ribatejo, it is only forty-five minutes from Lisbon. Its many niches and corners, from the various gardens that surround the property to its woods and floodplains, give it an incomparable bucolic atmosphere. The interior spaces, heir to the agricultural tradition, are ideal for holding any event! Today's new commitment is also focused on accommodating all those who celebrate the most important moments of their lives with us. In an innovative project, but aligned with tradition, elegance and good taste, Quinta do Gaio de Cima seeks to provide a unique stay of maximum exclusivity, in the pursuit of greater coexistence of the couple with their family and friends. Our aim is to ensure that your celebration is as long-lasting and unforgettable as possible! Come and feel at home, immersed in a familiar, welcoming and natural environment, and lose yourself in the best we have to offer.
