Just Peace Covenant

As a Just Peace church continuing the work of Jesus, we commit to work toward a world where all persons are treated with dignity and equality, where societies are structured in ways that promote the well-being of all people, and where conflicts are resolved through communication and negotiations, without resorting to exploitation or violence. We strive to embody these principles in our lives and witness as individuals and as a congregation. Our specific focus is: Just Peace in the community- so that all may live free from fear. Just Peace with the Earth – so that life is sustained. Just Peace in the marketplace- so that all may live with dignity. Just Peace among nations- so that human lives are protected. Through our worship, programs, and outreach we seek to be a community of reconciliation, hope, and courage as we work for peace and justice in our world.
