Accommodation

As an overall ethos, wherever possible we aim to use characterful accommodation that enhances the overall travel experience, not just offers a bed for the night. This can obviously vary dramatically from trip to trip.

TRIP ACCOMMODATION SCOOP

Kick off this adventure with one night of hotel comfort, then dive into the wilderness with wild camping! Our trusty crew will do the heavy lifting—pitching and packing up tents. But a heads-up: shower facilities are more "splash and dash" (think wet wipes and a bowl of water), and bathrooms are au naturel (picture a private spot behind a sand dune). This escapade is perfect for those who thrive in such rugged conditions.

To sprinkle a bit of comfort in the desert, we'll provide camping tables and chairs. But let's be clear—this isn't glamping with all the bells and whistles! You'll have sleeping mats and pillows at your disposal, but don't forget to pack your trusty sleeping bag.

Also, when staying at Algerian hotels, remember they might not yet compete with the swank of Morocco or Tunisia, though they're on the up and up! So, adjust those expectations and prepare for a thrilling ride!
