THE FUN DAY IS BACK

For twenty-six years, Victoria Dock has celebrated the start of summer with its annual Fun Day. On Saturday 1st July, the park will be taken over by rides and stalls as the community comes together. Organised by the Victoria Dock Village Hall Community Association, the Fun Day has been in existence almost as long as the community itself. Every year it's supported by fantastic sponsors and brilliant volunteers who give their time for the biggest event of the season.

With something for people of all ages, Victoria Dock's Fun Day has raised thousands of pounds over the past twenty-six years which is funnelled right back into the community. This pays for the upkeep of the Village Hall as well as other seasonal events run by the VDVH Community Association, including the Easter Trail and Santa Claus' annual visit to our Christmas tree. The Association is still looking for sponsors, people to run food and craft stalls, as well as volunteers to help set-up and keep the party going all day. If you're interested in joining in the fun, contact info@vdvh.co.uk or talk to a member of the Community Association.

New to the area?

Since the beginning, back when Bellway broke ground in 1988, residents of Victoria Dock have worked hard to create a strong community.

Why not get involved by visiting some of our local businesses like Victoria City, Riverside Hair & Beauty and The Three Crowns (which has recently welcomed a new landlord). East Hull Family Practice have reopened their GP surgery on Victoria Dock for limited hours, and the friendly staff at City Health Pharmacy are always on hand to give advice. Don't forget to head over to the Victoria Dock Village Hall to check out our current clubs, with lots of different things on offer. If you want to set up a new group just get in touch – residents of Victoria Dock have access to the hall at a discounted rate and there are still some weekly spots available! Visit vdvh.co.uk for more information about the place where you live.

FANCY A COFFEE?

A new drive-through Costa Coffee is coming to our area.

Currently being built on the corner of Hedon Road and Williamson Street, next to the Lidl Superstore, the new site will include a small car park which will have ten charging points for Electric Vehicles and two disability bays. Accessed via the Lidl car park, the drive through is similar to the Costa located on Clough Road and will add more choice to the Dock. Construction continues and it should open later in the year.
