Summer Opportunities for Teen Members

SUMMER LEADERSHIP PROGRAMS

Our CIT and LIT programs help teens develop and strengthen skills as camp counselors and future leaders in all walks of life. Both distinct programs work directly with camp groups while also learning behind-the-scenes camp planning and organization.

LEADER-IN-TRAINING LIT PROGRAM (TEENS COMPLETING GRADE 8)*

Program is designed as an introduction to community service in a role that allows the teens to grow personally, learn leadership and job readiness skills, and practice teamwork. Teens work with counselors and directors to plan, design, and implement science, art, or fitness activities for their groups. LITs attend leadership training and online child safety training through Boys & Girls Clubs of America and have an opportunity to become First Aid certified. Enrollment is limited.

*LIT program is offered at the Southport Clubhouse only.

COUNSELOR-IN-TRAINING (TEENS COMPLETING GRADES 9, 10, 11)

Program is designed to help prepare teens to become camp counselors or junior staff, build leadership skills, develop job readiness skills, and explore careers. Teens apply leadership skills from the program by assisting summer camp groups and by planning and implementing activities. CITs attend leadership training and online child safety training through Boys & Girls Clubs of America with an opportunity to become First Aid-certified. CITs receive a weekly evaluation from their supervisor and camp staff. These evaluations help assess each CIT's skills and further development of job skills.

The CIT program is available at Southport Clubhouse and Smilow-Burroughs Clubhouse.

2. Complete a CIT or LIT application form and schedule an interview.
