## BIG NEWS not small news!!

Welcome to Anna's newsletter!!

What has been happening?

I'm moving workshops at the end of November. My new workshop will be at Gogar cabinet works on Glasgow Road. When I move in, I will share more about the converted Church - Cabinet maker's workshop.

In the meantime, here is a photo of the Church. In December I'll be working hard to get everything up and running again. Including woodturning lessons ready for the New year.

I have a few events coming up. I've been busy in the workshop making new furniture and products for Peebles wood market. At Peebles we will have not just the market set up but outdoor activities. The old favourites are back. Chainsaw carving and the Conker championship.
