"ADVENT BLESSINGS" RAFFLE:
SUPPORTING OUR FAITH FORMATION PROGRAM

It's Faith Formation Raffle season! As we journey towards Christmas, we are once again asking for your generous support of our religious education program.

We recognize that household expenses continue to rise and that everyone is feeling the impact. Unfortunately, the costs of providing educational materials, resources, and programs for our youth continue to increase as well. Additionally, on October 21, we discovered that the water line to St. Walburga Social Hall is broken, with an estimated repair cost of $8,000. These unexpected expenses make your support more important than ever.

This year rather than raffling off household goods and appliances, we have decided to give away *only* gift cards and cash prizes. We are asking St. Titus parishioners to sponsor the twelve days of our "Advent Blessings" Raffle. Individuals or families may choose to sponsor a single prize, or we can combine cash contributions to purchase the necessary gift cards for the raffle.

"Advent Blessings" Prize Raffle Schedule

December 13 – $50 Cash / $50 PA Lottery Tickets

We are also excited to share a special donation that will be part of this year's fundraiser. Buck and Sue Batson, former catechists and longtime supporters of Faith Formation, have gifted a beautiful Nativity scene print that Sue created using diamond art. We are grateful for this special addition to our giveaway on Christmas Eve.

Any additional donations received beyond this amount will be saved to help fund a future Faith Formation raffle. As always, we sincerely appreciate donations of any amount. Every contribution, large or small, makes a difference and helps us continue to share our Catholic faith, nurture our young peoples' spiritual growth, and keep our program moving forward.

Tickets will be mailed out to all parish families shortly, and we ask that all sold tickets be returned by Dec. 11.

Please continue to keep our catechists, students, and their families in your prayers. God bless you!
