File Requirements

PDF-X1a, PDF, Postscript, EPS and TIFF files are acceptable. All high resolution images and fonts must be embedded in files. Images must be SWOP (CMYK or grayscale), 300 dpi. Please include standard trim, bleed and registration marks. Total area density should not exceed 300 percent. Grayscale images greater than 85 percent density may fill in on press. All required image trapping must be included in the file.

Color Specifications

All art work must be submitted as CMYK. APA will not be held responsible for inaccurate color conversion on ads submitted incorrectly. Files prepared with spot, Pantone® (PMS) or RGB color are not acceptable. All ads submitted should be suitable to print without color corrections or conversion.

ADDITIONAL CHARGES

Preferred Positioning

The additional charge is 15 percent of the earned rate for guaranteed right-hand page placement within the first one-third of the magazine.

Frequency Discounts

Frequency discounts are computed over a period of 12 consecutive months. The cancellation of a space reservation will result in an adjustment of the rate (short-rate) based on previous insertions in that 12-month period to reflect actual space used.

Virtual Hiring Events

Reach highly qualified job seekers in psychology with a remote booth space at one of our Virtual Hiring Events. The virtual format provides an easy, effective way to reach psychologists and answer their questions about your open positions from the comfort of your virtual work space.

HOW IT WORKS

After registering your organization as a participating employer, you will be given access to create and customize your own booth, complete with your logo, images, videos and other information to make your organization stand out. You will also have the ability to review registered jobseeker resumes in advance of the event and personally invite them to visit you in your booth.

Your representatives will connect 1-on-1 with attendees via live text or video chat to get to know potential candidates, answer their questions and determine how to move forward.
