

CONGRATULATIONS ON YOUR UPCOMING SACRAMENT OF MARRIAGE

I look forward to meeting you in this season of engagement and supporting you at your ceremony - large or small.

Prior to your wedding, we'll meet for 30-60 minutes to discuss your rehearsal, procession, readings, and potential music selections (I will facilitate an introduction to our Parish Music Coordinator). Pick a local coffee shop or brewery for us to chat at, or we can meet at the church following your preferred Mass time.

Reach out by text, call, or email if you have any questions!
