

Bí Cineálta!

We want everyone at our school to feel safe and happy.

If you think that you are being bullied or someone else is being bullied, you need to tell a teacher or another adult that you trust. They will know what to do to help.

If a student tells a staff member that they think they are being bullied, we will:

- > talk with the student
- > ask the student what they want to happen
- > work out a plan together
- > talk to their parents
- > talk to the other student(s) involved
- > talk with the other student's parents

Bullying behaviour is when someone keeps being mean or hurtful to others on purpose over and over again.

When it happens a lot.
Not just once.
