| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| <u>What is the overall deductible?</u>                             | For each <u>Plan Year</u> , <u>In-Network</u> : Individual \$6,000 / Family \$12,000. Out-of-Network: Individual \$8,000 / Family \$16,000.                    | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| <u>Are there services covered before you meet your deductible?</u> | Yes. <u>Prescription drugs</u> ; plus <u>in-network office visits</u> & <u>preventive care</u> are covered before you meet your <u>deductible</u> .            | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| <u>Are there other deductibles for specific services?</u>          | Yes. For <u>prescription drugs</u> - Individual \$100 / Family \$300. There are no other specific <u>deductibles</u> .   | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| <u>What is the out-of-pocket limit for this plan?</u>              | In-Network: Individual \$9,000 / Family \$18,000. Out-of-Network: Individual \$12,000 / Family \$24,000.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| <u>What is not included in the out-of-pocket limit?</u>            | <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain pre-authorization for services. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| <u>Will you pay less if you use a network provider?</u>            | Yes. See <a href="http://www.aetna.com/docfind">http://www.aetna.com/docfind</a> or call 1-888-982-3862 for a list of <u>in-network providers</u> .            | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <u>Do you need a referral to see a specialist?</u>                 | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
