

# SAFETY ARRANGEMENTS

ADVICE TO PUBLIC AND PARTICIPANTS

**Safety Officer**

**Contact through Regatta Control**

**Fire Precautions**

**Fire extinguishers are available at Regatta Control and in the Tea Tent**

**First Aid**

**Adjacent to Regatta Control**

## Within Regatta Enclosure

Please exercise sensible precautions, especially near the riverbank.

Particular care should be taken by all spectators and participants to ensure the safety of other persons especially children.

In the event of an incident Regatta Control should be contacted immediately, through whom a First-aider is available.

All reported incidents, no matter how seemingly trivial, must be recorded in the log at Regatta Control.

## On the River

Participants are reminded that they must comply with the Regatta rules and the associated safety arrangements. Failure to do so will result in immediate disqualification.

In the event of an incident the Safety Boats and Umpire's launch will render assistance. Any injured person will be taken to the Finish pontoons and then handed to First Aid.

Should an incident occur when racing is not in progress, persons in close proximity should render assistance. A safety boat should be sought immediately.
