

REQUEST FOR SEPTIC SYSTEM INSPECTION REPORT FOR PURCHASERS/VENDORS

Inclusions:

- A full written report on the system's functionality and health status by one of our qualified service personnel as stipulated by the Health Department;
- Digital photographic evidence of the system and its operational capacity;
- The type, brand and capacity of the system and its suitability to the size of the property;
- An estimation of any costs to bring the system up to a fully functioning condition, i.e. if a pump out is required and the time frame;
- Notification if a Health Department required Maintenance Agreement is in place;
- Description of how the system works, client support and education at the time of the Inspection Report;
- As per instructions from the client, a copy of the report may be forwarded to a third party
- An opportunity to implement an Ecowater Services "Health Care Plan of an ATU" at settlement.
