Disbursements

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time contract is entered into. These fees are set by the person or institution and not the Beggs or Menard Funeral Homes. The following are some items that are often identified as disbursements.

- **Cremation Fee**-Paid to the crematorium for the cost of cremation.
- **Coroner Fee**-Paid to the coroner who issues the cremation certification that allows cremation to take place.
- **Clergy Honorarium**-Paid to the clergy who performs the funeral or memorial service.
- **Newspaper Notice**-Paid to the newspaper you've selected for publishing an obituary in their publication.
- **Grave Opening and Closing Fee**-Paid to the persons or municipality that prepare the grave.
- **Catering Fee**-Paid to caterer whom provides luncheon.
- **Grass and Lowering Device**-Paid to the person who provides the artificial grass for the grave site and who also manages the equipment necessary for safely lowering the casket into a grave.

Current legislation prevents certain disbursements from appearing on a funeral home contract. Please ask our staff for clarification on any disbursement.
