These fees are set by the person or institution and not the Beggs or Menard Funeral Homes. The following are some items, including but not limited to those that are often identified as disbursements.

- **Cremation Fee**-Paid to the crematorium for the cost of cremation.
- **Coroner Fee**-Paid to the coroner who issues the cremation certification that allows cremation to take place.
- **Clergy Honorarium**-Paid to the clergy who performs the funeral or memorial service.
- **Newspaper Notice**-Paid to the newspaper you've selected for publishing an obituary in their publication.
- **Grave Opening and Closing Fee**-Paid to the persons or municipality that prepare the grave.
- **Catering Fee**-Paid to caterer whom provides luncheon.
- **Grass and Lowering Device**-Paid to the person who provides the artificial grass for the grave site and who also manages the equipment necessary for safely lowering the casket into a grave.
- **Death Registration**-Paid to the Municipality to register the death with Vital Statistics Ontario.
- **Bereavement Authority of Ontario (Consumer Protection Fee)**-Licensing fee paid to Bereavement Authority of Ontario (BAO) in support of their operating costs.

Current legislation prevents certain disbursements from appearing on a funeral home preneed contract. Please ask our staff for clarification on any disbursement.

## **Payment Terms**

Payment in full for all services and supplies rendered is due 30 days from the date of contract (the "Due Date"). Amounts outstanding after that date will bear interest at the rate of 2% per month or 24% per annum, calculated daily and compounded monthly, from the "Due Date" until amount is paid in full.
