# The Annual Parish Meeting of

## Grace Episcopal Church

---

**The purpose of Annual Meetings** Our diocesan laws, national church laws, and/or parish By-Laws require that our parish hold annual meetings, each January, *at which 10% of the voting membership must be present*, to:

- Adopt By-laws
- Elect lay leaders to the Vestry by “majority”, that is one more than half of the voting members present
- Elect three voting members to be delegates to the annual Diocesan Convention

### **Communicant in Good Standing**

Any communicant who, during the preceding year, has been faithful in corporate worship, unless for good cause prevented, and in working, praying and giving for the spread of the kingdom of God, shall be considered a communicant in good standing of the congregation.

**Voting Member:** An adult communicant who has been a communicant in good standing of his/her congregation for not less than six (6) months shall be eligible to vote at annual or special meetings of the congregation.

*By standing for election to Vestry, nominees agree to:*

- Make a financial pledge to the church
- Regularly participate in the worship and ministry of the parish
- Come to meetings regularly and prepared
- Act as liaison to ministries in the parish.
- Sign the Vestry Stewardship Statement and Covenant of Right Relations
- Take diocesan classes regarding Sexual Ethics and Diversity

- H. Financial Comments from Co-Warden Mike Oakley
  1. Try to keep positive perspective
  2. Grace has had a long history of fellowship, outreach, and financial challenges.
  3. Biggest challenge—attracting new members. How?
    - a. Open church for visitation such as during Santa Parade
    - b. Coffee, hot chocolate and cookies were distributed
    - c. Tours of building
    - d. Successful Euchre tournament brought in many outside visitors—two parties planned for next year
    - e. Cookie walk brought in many outside buyers—some came back to Grace for service.
    - f. Lonny interested in putting a band together with Josh and others

I. Thank you to retiring treasurer Ann Farrell and vestry members Scott Satterly, Lori Simon and Cheryle Kahl

J. Gary Stevens will be taking over as treasurer. Printed envelopes are made available in pews

## X. New Business

- A. Gay Gillespie—discussion regarding needed transparency from vestry, especially with “possible merger” with American Lutheran Church
  1. Pastor Steve addresses shared ministry with ALC during his sabbatical
  2. Service at ALC At 9:00 A.M., Grace at 10:30 A.M.
  3. ALC hired new pastor—Pastor Julie
  4. Committee on shared ministry remains, but investigation into sharing a pastor has been tabled.
  5. Shared activities with ALC continue
  6. Lucy assures that vestry will try to communicate better
  7. Tom Stotz cautions to be careful with language. “Merger” isn’t “shared ministry.” Merger was never discussed.
  8. Pastor Julie is open to continued shared activities between ALC and Grace

## XI. Questions or Concerns

- B. Questions on Rectory Update
  1. Listed with Anton Sowerby Realty
  2. Proposed to rent for \$2,000 a month

## XII Closing Prayer offered by Pastor Steve

Meeting adjourned 12:50 P.M.

Respectfully submitted,  
Cheryle Kahl, Clerk

# Candidates for Vestry, 2026

---

**Maragret Morgan**

I am interested in being on the Vestry to help our Church run smoothly. I enjoy organizing events and fundraisers. I like helping. I want our parishioners to feel included in the Grace Church family. If we can include their ideas and suggestions, they feel they ARE a part of our Church. We are a loving and giving Church and I enjoy being part of Grace.

**Selia Tuten**

I come to Grace as a lifelong Episcopalian. I was baptized confirmed and married At Christ Church Dearborn. My two daughters were also baptized at Christ Church.

My first husband and I were married at Christ, however my husband of 52 years died

In 2019. I was asked to join the vestry in 2012 and enjoyed my term and “retired” but that didn’t stick, and I rejoined only to become the junior warden. Christ Church like any Church had problems and opportunities to meet. We had the opportunity to sell a portion of the church property and that while a financial boom to the church, became a challenge when the building plans were revealed. We also had an Arabic congregation worship in both the Chapel and Church. This was both an opportunity and a challenge, as the church services were bilingual.

# Altar Guild

---

Our current members are; Sandy Atkinson, Donna Chapman, Fran Merlo, Jill Cottrell, Karen Davenport, Barb Keranen, Tish Mastro Burns, Wendy Oravec, Marliee Racine, Ann Strevel and Ann Farrell.

We welcomed Kris Eckert and Dave Farrell to the Altar Guild this year!

We are blessed to have our faithful Altar Guild members who quietly and carefully prepare the altar each week as well as clean and decorate for the holidays, wedding and funerals. Thank you for all you do.

If you are interested in ordering flowers for the altar, please sign up on the list in the hallway. We will take care of ordering the flowers and their delivery. The cost for the flowers (2 bouquets) is \$30.00 and should be paid by check to Grace Episcopal Church with "flowers for altar" in the memo field. You may drop your envelope in the collection plate during the service or send it in the mail.

We welcome anyone who would like to join us in this service. Please contact Ann Strevel or Ann Farrell for more information.

Respectfully submitted,

Ann Farrell and Ann Strevel.

# American Lutheran Church

---

In September of 2024, Pastor Steve received a call from our diocesan office asking if Grace would be interested in talking with American Lutheran Church (ALC) about shared ministry.

Our vestry met with their Leadership Council, and we created a working subgroup from our two congregations to plan events that our two congregations could do together. We have since been collecting pop tops to support their outreach program and we have continued having joint services every other month rotating locations between Grace and American Lutheran Church. Feedback has been positive about our combined services, and we are planning to continue these throughout 2026. Our vestry has not met again with the leadership council from American Lutheran since the initial meeting and there is no planned meeting in the immediate future. So, for the time being, we are continuing the same relationship with them.

# Book Club

---

The book club meets every other month at the church on the second Thursday of the month. We meet in the Guild Room at 6pm. We have chosen a variety of amazing books over the years, and our discussions have been lively and usually fun. We welcome any newcomers who want a good read followed by a chance to join with friends for constructive criticism. Meeting information is available in Sunday bulletins and monthly newsletters.

Please call Ann Strevel for further information.

Ann Strevel

# Christian Education

---

## Children's Program

We have not had an active Sunday School program for children since the pandemic started but we always have activity sheets and coloring materials in the back of the sanctuary hanging in see through plastic bags that anyone may hand out to any parent who brings in younger children on a Sunday. We have had a few younger children occasionally attend the 10:30 service throughout 2025 and we greatly appreciate your attentiveness and patience with them as we seek to accommodate them in the sanctuary throughout the entire service. If you have ideas on how we may grow our Sunday school program or if you would like to join us in creating one, please contact Pastor Steve.

## Adult Program

Our Adult Christian formation had a few tracks throughout 2025. The first was our bible study which had two different focal points. The first group meets on Sunday mornings in the Guild Room at 9:30 between the two services and had a regular attendance of between 8-12 people. The focus on Sundays is on the readings of the day, so no advance preparation is needed, anyone may join in the conversation. This is an in-person only group, there is no Zoom option. Then on the second Friday of every month, Kris Eckert facilitates an evening bible study at 6:30 with different topics exploring a variety of books in our scriptures.

The second, branch of our adult Christian education took place during Lent with two different components. First, we continued watching the series, THE CHOSEN, which follows the public life and ministry of Jesus and his disciples. This was season four and we viewed one episode per week and had lively discussion about each. The second adult program we followed during this season was a Lenten Bible Study that was created and distributed by our Episcopal Church Center in New York City. The title was THE WAY OF LOVE built on then Presiding Bishop Curry's book. This study group met every Sunday during Lent at noon.

# Fueling Kids Futures (formerly Blessings in a Backpack)

---

Fueling Kids' Futures is an organization that helps provide weekend meals to at need students. During the week, those students often qualify for supplemental meals through the school, but on the weekends, they are on their own. Through the assistance of Sam's Club, we provide 6 meals per weekend for \$160.00 per student for the school year. We get the shipments of food once a month for the district and then pack the food weekly for distribution to the students.

For the new school year, we are serving 220 students in the preschool and elementary school, nearly as many as last year, as the Mt. Clemens School District faces plenty of challenges. Our volunteers from Grace Church, two other parishes, and a collection of others are back at it, packing bags weekly for the children. We are thankful for all of those who volunteer their time and efforts. We can always use a few more volunteers to help pack on Tuesdays. For specific details, contact Donna Oakley at 586-322-4725.

We had a successful fundraising drive in the fall and reached our goal to raise the funds needed before the school year started. Of course, we are looking ahead to fund next year's efforts.

You can help as the months progress by saving your "F and "K" dollars (the letter on the dollar bill) and turning them in at the church. Our treasurer will then forward the donations to the Mt. Clemens chapter of Fueling Kids' Futures. There are also brochures outside the church office to explain the program and provide directions for donating (or you can contact one of us).

As always, thank you for your continued support!

Michael and Donna Oakley

## Grace Food Pantry

---

Our pantry continues to supply those facing "food insecurity" in Macomb County. We serve about 300 people each month, families, elders and the homeless on the street. We are open three mornings a week, manned by volunteers, many from our community who feel called to serve.

We receive lots of food donations from other area churches and Christmas gifts from individuals. We are also blessed with grants from Meijer for several thousand dollars each year. The county supplies us with food twice a month which helps greatly. Everything else, we purchase in order to keep up with the need.

We witness all the time how we have touched lives, helped families and fed the elderly. We help those who live on the edge.

Gay Gillespie, Pantry Manager

## Hearts for Homes

---

**2025: Hearts for Homes (H4H)** provided assistance to 45 families (91 Children). Our families received assistance with security deposits to acquire safe and affordable homes of their own, eviction assistance to prevent homelessness and also household items, furniture and gift cards.

2026 Fundraising:

- Euchre Tournament: Grace Church, March 12, 2026
- Annual Golf Outing: Cracklewood Golf Club June 26, 2026

## Lay Eucharistic Ministry (L.E.M.)

---

Total L.E.M. membership has remained at six members. We are always looking for more L.E.M. members and would welcome anyone who may be interested in this ministry. Please feel free to contact us.

Gary Stevens

## Macomb County Winter Shelter

---

This month, our church partnered with First United Methodist Church to actively support the Macomb County Warming Shelter program, which is housed at Trinity Lutheran Church in Warren. The shelter began its seasonal operations on December 21, 2025, providing essential services to homeless individuals in our community. Each evening, guests are welcomed into a safe and warm environment, where they have the opportunity to spend the night, enjoy a hot meal, and receive care and support from compassionate volunteers representing various churches throughout the county. Each church involved in the program dedicates one week of service during the shelter's operating season.

During our assigned week, our congregation was fortunate to have 28 dedicated volunteers who generously contributed their time and energy over three Grace days. Among these volunteers, six were members of American Lutheran Church, exemplifying the strong spirit and commitment within our faith community. Their involvement played a crucial role in the success of our efforts and highlighted the collaborative nature of our service.

Kirsten Blackburn, serving as our chef and kitchen manager, took charge of planning, shopping and preparing delicious and nutritious meals with assistance from her cooking crew. All meal preparation and cooking took place at Grace, after which the food was packed and transported to the shelter. Meals were served from 7:00 PM to 9:00 PM, and grab-and-go breakfasts were prepared for guests to take with them in the morning.

A dedicated group of volunteers managed the registration and check-in process for guests, while also organizing coats and personal belongings. At the end of each night, volunteers ensured that the kitchen and dining rooms were thoroughly cleaned and ready for use the following day.

This initiative would not have been possible without the unwavering support of our volunteers and the broader church community. The generosity and compassion demonstrated by everyone involved made a meaningful difference in the lives of those we served. Thank you to all who participated and contributed to the success of this program.

Respectfully submitted,

Ann Farrell

# MCREST

---

We hosted our last MCREST program in May 2025 as we housed and fed approximately 30 men for an entire week. This program is being moved out of the local churches and housed at the MCREST building which is a few blocks away from Grace. This ministry would not have happened without the tireless efforts of Martha Houser and her family, so thank you to all of them and thank you to everyone who donated time, money and work to support this ministry over the years.

## Music Ministry

---

The Grace Episcopal Choir is a music ministry composed of volunteers who lift their voices at the 10:30 a.m. Sunday worship service. They are a spirit-led group of prayerful and supportive individuals who come from various backgrounds and musical experiences, and strive to share the message of Christ in song.

The choir meets for rehearsal for one hour on Wednesdays at 6:30 p.m. in the church sanctuary. When necessary, audio recordings of the selections are emailed for revisiting throughout the week. On Sundays, the choir meets once more one hour prior to the service in the sanctuary for review. The choir enjoys a summer break when not meeting and serving during the months of September (Stewardship) to May (Pentecost).

The selections vary in musical genre, and while they reflect the mood of the liturgical season and draw cohesion between the themes of the Sunday scripture readings, the driving force of the music ministry has been consistent; to promote the core beliefs of love, forgiveness, charity, peace, and unity of all people in Christ Jesus.

Throughout the year, special vocal and instrumental selections and accompaniment are generously provided by several members of the church, choir, and other guests. The music ministry seeks to be a welcoming department where anyone with a desire to share their musical talents to glorify God and uplift the spiritual community may participate.

We anticipate continued consistency and growth in our membership, developing our harmonies and repertoire, and lending our time and talents to local appropriate events. This past year saw the choir working collaboratively with the American Lutheran Choir (Clinton Twp.) for joint worship services and musical outings at the Martha T. Berry Nursing Facility (Mt. Clemens) where they were received joyfully by the residents.

Lastly, this past year, members of the 8:30 a.m. Sunday service have been positively receptive to enhancing their worship service with congregational and instrumental musical selections. The music ministry seeks to render service when appropriate for the further unification of the body of Christ, and to “bind us together with ‘chords’ that cannot be broken.”

Submitted respectfully by,  
Joshua Dulin  
Minister of Music

# Outdoor Sign

---

The outdoor sign has become a valuable tool for our church. We communicate our church values and current events to the community. If you have an event or quote you would like to see on the sign, please let me know by emailing me at: [pamschafer1965@gmail.com](mailto:pamschafer1965@gmail.com). Please keep the quote to 20 words or less.

Pam Schafer

## Outdoor Food Boxes

---

I have been going to Variety Foods for 3 years every other week to collect a donation from them. They donate outdated snacks, pastries, candy and pop. We use this donation to fill the food boxes in front and back of the church. Sheri Borsa (spelling?) and others fill the box every day. If you are here and see an empty box, please feel free to fill it with the goods in the black cabinet in the pantry in the social hall.

When we get a large donation we share with the Sunday and Wednesday Suppers, the Saturday Wave Showers and the Warming Center.

Thank you to everyone who has helped with this ministry.

Pam Schafer and Kirsten Blackburn

## Parish Administrator

---

The role of Parish Administrator at Grace is one that rarely looks the same from day to day, which can make it challenging to fully summarize. At its core, however, my work is focused on supporting the daily operations of the parish so that Grace can continue to function smoothly and serve our community effectively.

My primary responsibilities include managing daily communications by answering emails and phone calls, receiving and sending mail, and assisting with the creation and distribution of publications and flyers. In addition, I assist with parish name tags and oversee the printing, filing, and placement of bulletins, newsletters, and other parish materials. I maintain organized records of invoices, service reports, as well as past bulletins, newsletters, and annual reports for parish reference.

I facilitate hall and sanctuary rentals by meeting with renters, creating and managing contracts, and coordinating access through temporary key cards on scheduled rental dates. Information is regularly shared with the community, helping individuals connect with Grace's community outreach programs. I also make purchases on behalf of the parish and ensure that items are distributed to their appropriate locations.

One of my larger ongoing projects has been creating and maintaining the Grace website as it exists today. The website is updated regularly with weekly bulletins, monthly newsletters, Vestry minutes, current events, and links to recorded robocalls. I also keep the hallway bulletin boards up to date with thank-you cards, event information, rental notices, Vestry minutes, and flyers that support parish life at Grace.

In addition to my administrative duties, I assist with bookkeeping to support Alice and help keep financial processes running efficiently. This includes printing checks, organizing invoices and ensuring they are paid, sending thank-you letters for donations, and managing checks and cash received outside of Sunday collections.

Because the work at Grace is so varied, I am certain there are tasks I have missed mentioning. All of this work is done with the goal of supporting the clergy, Vestry, and parishioners, and helping Grace continue to run smoothly and serve faithfully.

# Pastoral Care

---

Our Pastoral Care Team provided spiritual, social, emotional and other physical assistance to our Grace members who needed in home support. This ministry was carried out through phone calls, texts, in-home visits, driving people and the United States Postal Service. Our team consisted of four parishioners and Pastor Steve and typically met monthly by Zoom, but due to some unforeseen reasons, our team did not meet online for the last few months of the year, but we continued to provide pastoral care to our Grace parishioners. During our meetings we would discuss the pastoral needs that surfaced and determine how to meet them. There was always back up ready to support each person in this ministry. In addition, Pastor Steve took communion to parishioners who were homebound or in health care facilities. Pastor Steve also provided training for two additional parishioners to take communion to our homebound members. If you would like more information or to sign up for the training, please contact Pastor Steve. Everyone is welcome and no prior experience is needed!

## Prayer Group

---

The prayer group began several years ago under the leadership of recently departed, Sue Schlanbusch, and when she could no longer chair and attend our meetings, she was so very pleased that we continued her vision.

The group meets monthly at the church, usually on the second Saturday, to discuss and update the prayer list. Personalized prayer cards are then mailed to each person, provided we have their address.

As our prayer requests increase and the list continues to grow, the congregation no longer verbalizes each individual during prayers of the people but is reminded that the names are found near the back of the bulletin.

Adding or removing someone to the list is as simple as contacting the church office or Pastor Steve or me.

Anyone interested in this ministry is most welcome to join.

Respectfully submitted,  
Jill Cottrell

## Publications Coordinator

---

I took on the role of publications coordinator when I began creating the bulletins for both services in late February 2025; my role expanded to include crafting our monthly newsletter, Amazing Grace, beginning with the August issue. Soon afterward, I worked with Pastor Steve to launch a new E-mail address dedicated to receiving submissions for both the bulletin and the newsletter, giving parishioners an easy way to send in announcements and articles of all kinds and be sure they reach the right people. That address, [bulletins@gracechurchmtclemens.org](mailto:bulletins@gracechurchmtclemens.org), is mentioned in every bulletin and is posted in the hallway leading to the church hall. Please send anything you would like included in the bulletin and/or the newsletter to that address. The bulletins are finalized on Wednesday evenings, while the deadline for newsletter submissions is the third Wednesday of the month. Thank you very much!

# Social Media Coordinator

---

As the Social Media Coordinator for Grace Episcopal Church, I steward our online presence with the goal of communicating clearly, welcoming graciously, and supporting the mission and ministries of the parish.

A consistent social media presence has become an important extension of church communication and outreach. Through Facebook, we are able to share worship schedules, parish announcements, ministry updates, seasonal messages, and community events in a timely and accessible way. It also serves as a gentle point of connection for visitors and community members who may be exploring the church for the first time, offering them an inviting introduction to who we are and what we value.

In this role, I manage the church's Facebook page by planning and publishing posts, maintaining a consistent tone and presentation, ensuring information is accurate and up to date, and responding to messages or comments as appropriate. I also coordinate content around special services, holy days, parish events, and other significant moments in the life of the church.

Parishioner engagement and participation are essential to a meaningful and authentic online presence. I encourage members to like and share posts to help extend our reach, and to submit relevant announcements, photographs, or ministry highlights that may be appropriate for posting. This shared effort helps our communications reflect the full life of the parish and strengthens connection within our church community.

Thank you for the opportunity to serve Grace Episcopal Church in this capacity.

Warmly,

## Stewardship

---

This is a topic that many people don't like to discuss, but it is built into our annual Episcopal liturgical cycle. Stewardship is often thought of just as being about money, but it really is broader than that. Our denomination talks about stewardship as the sharing of the blessings that God has given us. We place these resources into three categories: Time, Talent and Treasure. For better or for worse, the focus typically winds up on the Treasure section, and we talk about it as our "pledge", and we ask everyone to fill out a pledge card. For our stewardship drive in the fall of 2025, we received a total of 42 cards turned in for a total pledge amount of \$207,624.00 to be given in 2026. And then there are additional givers who do not turn in a pledge card, so Gary Keranen will go over the entire financial picture and 2026 budget at the annual meeting.

On the flip side of this physical pledge card there is space for people to write in how they would like to share their Time and Talent with Grace for the coming year. For whatever reasons, this section is often overlooked but it is just as important as the financial side. Our congregational ministries would not exist if it wasn't for the generous time and talent that some of our parishioners share to make these things happen. Finally, you may not know that our Episcopal denomination has a program called, "The Episcopal Network for Stewardship", (TENS). Our diocese pays a yearly subscription for this program, and each parish is given free access to use all the resources provided by TENS. We have been utilizing this program since the pandemic and probably will continue to do so, but we are always looking for new ideas, so if you would like to share your thoughts, time and knowledge to participate in our stewardship efforts, please contact Pastor Steve.

# Sunday Supper

---

The Sunday Supper ministry serves meals each week from Sunday, November 2nd and continues each Sunday from 4-5 pm with the last supper on March 29th. Then, First United Methodist Church offers Sunday lunch through the spring, summer and early fall.

Our loyal cooking and serving groups from local churches and other organizations have returned which we are very grateful! Grace cooks and serves 3 times during the winter and twice during the summer.

We could not put on our suppers without the support of the groups that cook and provide the food. We have a core group from Grace who support the supper with set-up, monitoring the church and clean up.

I would like to extend my thanks to Charlie Arnold, Kris Eckert, Sue Sargent! We couldn't do it without your support.

We also thank the Grace community that help make this ministry possible. The out pouring of kindness and generosity restores my faith in humanity each and every week.

If you would like to be a part of this ministry, please let us know!

Thank You,

Ann & Dave Farrell  
Sunday Supper Coordinators

# Technology Committee

---

This year brought several improvements, including the addition of a new team member and the launch of simultaneous streaming on YouTube and Facebook. We also introduced a choir microphone, helping the choir come through more clearly for both in-person and online participants.

# Ushers

---

The eight usher teams performed their duties well throughout the past year. Coverage was maintained consistently for worship services. This work was carried out effectively even though many members of the usher teams also serve on other church committees. The primary challenge this year was a change in personnel. One of the usher teams retired, and forming additional usher teams is a priority for the coming year. Volunteers are requested and encouraged to sign up. We extend our heartfelt thanks to all usher volunteers for their faithful service and dedication to Grace Church.

Respectfully submitted  
Tom Murphy

# Verger

---

Verger ministry remains available for all appropriate occasions, as decided by Fr. Steve.

## Vestry Report

---

While still looking for ways to address the ever-increasing financial concerns of our church, 2024 saw the vestry focusing on community and connection—seeing many ideas come to fruition. Josh Dulin has initiated activities during coffee hour involving a range of projects with the intention of connecting people during an already established fellowship time. Plans are underway to more visibly acknowledge the behind-the-scenes work of our hardworking Grace members. Efforts were made to more closely connect our homebound members including assembling and delivering seasonal gift bags. Lucy Smith headed a successful name tag project creating name tags for everyone stored on metal grids at both church entrances, and usage is increasing as a new habit is formed. Name tags were especially helpful as we shared a pastor and combined services with American Lutheran Church in Mount Clemens this summer. Pastor Steve's sabbatical this past summer presented the vestry and congregation many opportunities to show creativity and flexibility as we found ways to function in his absence. We were able to adjust to a one-service summer, compromising on format and times that would accommodate both 8:30 and 10:30 attendees. Combining with American Lutheran for occasional potlucks, services, and activities demonstrated ways that we can be stronger together. The vestry was also involved in solving bookkeeping, office help, and technology challenges, trying to be ever mindful of Marchea's ever-growing job description while looking for ways to support her. Staff safety was addressed and improved with the expertise and follow-through of our dedicated Buildings and Grounds members. Audio issues were solved by purchasing a new audio system, with suggestions as to how to better serve our hearing impaired members. The departure of the InterFaith Center for Racial Justice as a tenant left the rectory empty. Hoping to replace this significant income, the rectory was repainted, refurbished, and is nearly ready to list with a realtor. Pastor Steve successfully pursued having the tax status of the rectory income to tax exempt, freeing up funds for the general fund. Community visibility and hopes to attract new members have been and will continue to be a constant vestry goal. Our dedicated and talented co-wardens, Lori Simon and Mike Oakley have done much to address this mission. The vestry is proud to be made up of members who are able to work cooperatively, considering all points of view as well as new ideas. As Lori Simon, Scott Satterly, and Cheryle Kahl complete their terms on vestry, new members will be welcomed soon.

## Wednesday Supper

---

The Wednesday Community Supper has been serving a home cooked meal every Wednesday since 2008. We serve about 120 meals each week to the homeless, sheltered, seniors, vulnerable adults, families in need of stretching their food budgets and anyone who just wants company while enjoying a free dinner out.

# Worship Committee

---

Our worship committee typically meets only 4 times a year to plan our Sunday worship for the various liturgical seasons. We met in person and on Zoom throughout 2025. People sometimes think that the worship in any church is the sole responsibility of the clergy. While it is true that the priest has the final say, it is really a collaborative work of many people coming together to plan and facilitate our worship every week. On our worship committee we have people who serve on the altar guild, technology committee, music ministry, and members who are ushers, lay eucharistic ministers and lectors. We try to represent all the groups that are involved in our worship services. Throughout 2025 we have continued our regular pattern of hybrid worship at 8:30 and 10:30 on Sunday mornings. At the early service people may attend in person and Pastor Steve uses his laptop to broadcast the service over Zoom. The 10:30 service also has an in-person and online component, but our technology committee members facilitate the broadcasting of this service on YouTube.

We are always open to having more people join us on the worship committee. You do not need any experience, and you don't have to be involved in any of those groups mentioned above. If you come to worship at Grace, you are invited to join us on this committee to plan our services! If you are interested, please talk with Pastor Steve.

## Rector Report

---

Throughout 2025 we have been investigating ways to increase our presence in Mt. Clemens and to invite more people into our Grace community.

For example, our Buildings and Grounds committee has been very busy coordinating and overseeing a multitude of building maintenance and repair jobs. Just when they finish one project another one always needs attention. Please see their report for a full listing of all the work that has been done in 2025. Speaking of Buildings, we are currently working with the Mt. Clemens Fire Marshal to bring all our buildings up to code; we have completed one round of repairs the last two months of 2025 and we hope to have the final work done in the early part of 2026. We are currently engaged in conversation with a prospective tenant who wants to lease the rectory and use it as a day care center, but we must complete repairs, obtain a certificate of occupancy from the city and be approved by our diocesan standing committee before we can officially lease the building. We will keep you posted as things progress.

It is also important to know that throughout 2025, our Grace outreach ministries have continued to provide food to more hungry people than in 2024 through our Food Pantry, Wednesday Community Supper, Sunday Soup Kitchen, and Fueling Kid's Futures. We thank all the volunteers who coordinate and staff these important ministries!

We hosted our last MCREST program in May 2025 as we housed and fed approximately 30 men for an entire week. This program is being moved out of the local churches and housed at the MCREST building which is a few blocks away from Grace. This ministry would not have happened without the tireless efforts of Martha Houser and her family, so thank you to all of them and thank you to everyone who donated time, money and work to support this ministry over the years.

Our newest outreach and advertising programs continue to be the Mt. Clemens/Macomb County Pride weekend at the end of the summer and the Santa Parade the Saturday before Thanksgiving. At these events we pass out cookies baked by Scott Satterly and his team of high school chef's, which are placed in bags with stickers on them promoting Grace along with printed flyers that talk more about us.

We also opened our church doors for the Santa parade and Ann Strevel gave about 30 people a tour of the sanctuary and our beautiful stained-glass windows! A small number of parishioners also marched in that parade behind a Grace banner that Pam Schaefer provided – we hope to have more parishioners march with us in 2026!

We also held several fundraisers in 2025 that raised several thousand dollars for Grace. Christa Carpenter was instrumental in coordinating the Quarters for A Cause event in September. Margaret Morgan has also created a few fundraisers with dinners at local restaurants and a musical bingo event that Christa also helped coordinate. We are also very grateful for the ongoing leadership of Brooke Steel-Lau who created and continues to lead the Cookie Walk in December, and for all the volunteers who bake cookies, help set-up and clean-up and for everyone who buys cookies! If you have a fundraising idea for 2026, please contact Pastor Steve!

Other outreach happens when we regularly pass out various items to people who come to our door during office hours and through the priest's discretionary fund, we were also able to assist folks with money for rent, utilities, medical bills, gasoline, motel stays and other emergencies. We also host the Macomb County mobile health van monthly and the WAVE shower trailer on most of the Saturday mornings throughout 2025 which includes breakfast a warm place to sit for a few hours. Thanks to Ann and Dave Farrell who coordinate this WAVE program at Grace. And thanks to our entire parish community for supporting our outreach programs!

Our regular routine of having two worship services on Sunday that may be attended in person or viewed online has worked very well. Our two bible study offerings on Sunday and the second Friday of the month have flourished and our special services during Advent and Lent are also well received. We are especially grateful to the many people who serve in our worship related ministries, i.e., Altar Guild, Ushers, Lay Eucharistic Ministers, Lectors, Vergers, Technology Committee, Choir Members, Musicians, Worship Committee and Greeters, because they are the ones that make our Sunday services possible! We always welcome anyone who would like to serve in any of our ministries!

We have also partnered with American Lutheran Church during 2025 for bi-monthly combined services alternating our places of worship. It is always a joy to hear the combined choirs singing and seeing our pews filled!

THANK YOU for being part of our faith community!

Blessings,  
Pastor Steve
