

Schedule After Hours HVAC on Your Smartphone

Go to the app store and search for 'Genea HVAC' for a quick and easy download!

Once you enter your login info, follow these 3 easy steps to make a request through the app:

- 1 Select start and end time
- 2 Confirm your request
- 3 To delete your request, select the 3 dots located on the "My Requests" tab. You can cancel your request from there. (You cannot edit a request. You must cancel and create a new one).
