WINDOWS TO THE WORLD

Windows matter. But not one window is right for everyone, so LEER® gives you many options for both cab and side windows to get the look, ventilation, and utility you're after. From solid windows to tip-outs, sliding to removable, it's your truck cap, and we aim to make it not just meet but exceed your expectations. When choosing your window, see the features & options chart on page 7.

Top off your LEER truck cap with a wide assortment of Thule roof racks and track systems. It's the finishing touch that helps you pile on the possibilities.

THULE TRACKS ONLY

(Works with most track mounted crossbars)

THULE SQUARE LOAD BAR

Roof Rack System

- Steel | 47", 53", 60" | Black
- Price conscious customers will like the basic function. 7" slot for mounting feet.

THULE WING BAR

Evo Roof Rack System

- Aluminum | 47", 53" | Black or silver
- Aluminum crossbar won't rust. Wing shape provides a quieter ride. 7" slot for mounting feet.

THULE PRO BAR

Roof Rack System

- Aluminum | 69", 78" | Black
- Works well with wider trucks but features a mounting slot along the entire length of the crossbar making this style more flexible.

Every LEER cap comes loaded with standard features to help you work hard and play easy. Additional accessories are also available to customize your cap for added utility, ventilation, security, and convenience. Find what's right for you.
