This accessibility statement applies to
<http://www.highbickingtonparishcouncil.co.uk/> only.

This website is run by the parish clerk. We want as many people as possible to be able to use this website. For example, Using all Windows 8 systems and above, Apple OSX High Sierra and above, and all android/apple mobile devices less than 5 years old (although there may be some layout restrictions) that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.
