

Symbolic Wedding Ceremony by Celebrantes - Bespoke Ceremonies

Creating meaningful wedding ceremonies in Portugal for couples from around the world.

What is a Symbolic Wedding Ceremony

A symbolic wedding ceremony is a personalised celebration of your union, created to reflect your story, your values and the meaning of your commitment.

Unlike a civil ceremony, it has no legal component, allowing complete freedom in terms of location, style and structure. This makes symbolic ceremonies ideal for destination weddings in Portugal.

Personalised Ceremony Creation

Every ceremony is written individually for each couple.

Your ceremony may include:

- Your love story
- Personal vows
- Exchange of rings

- Readings or meaningful texts

Each ceremony is crafted to feel authentic, emotional and memorable.

Ceremony Creation Process

Our ceremony creation process follows a structured methodology developed through extensive experience with destination weddings.

This approach has been carefully tested to ensure a smooth preparation process for the couple while allowing enough time to create a meaningful and personalised ceremony.

The timeline below outlines the key steps leading up to your wedding day.

3 months before the wedding

We begin with an initial Zoom meeting to get to know you and understand your story, vision and expectations for the ceremony. After the meeting, we will send you our ceremony questionnaires.

Within 1 month

The questionnaires are returned to the celebrant once completed.

3 weeks later

The celebrant prepares the first draft of your ceremony script. The ceremony script is refined together with the couple until it reflects your expectations and feels authentic to you.

2 weeks before the wedding

A final Zoom meeting takes place to confirm all ceremony details.

On the wedding day

The celebrant arrives 60 minutes before the ceremony to coordinate the flow with the planner and ensure everything runs smoothly.

Ceremony script

The final ceremony script is delivered to the couple in both digital and printed formats.

We would be delighted to schedule a meeting to explain the ceremony creation process in more detail. Our contact details can be found in the footer below.
