10. Business Arising from the Minutes

a) Cedar Street Rezoning

11. New Business

a) Letter from Debbie Hillock of Centennial Street advising the old arena property is being used as a location for storing RVs. In the official letter sent to me by the town's council, it reasoned there was no issue with the town's snow removal operations, I disagree. Resident believes that the council should review their Council Code of Conduct, specifically conflict of interest, improper use of influence. I believe there has been a breach of the by law No. 2023-01 because it is certainly curious that all the offenders have specifically been homeowners from Post Street (past and present).

b) Resident asking if the district is going to install speed bumps near the schools. She noted the speed is a concern as people drive, way above the 30 km speed limit. Questioned if No Parking signs will be placed along the new sidewalks.

12. Correspondence

a) Tobique Valley Manor Inc. invites council to the 24th Annual Tree of Memories at the Manor on December 4, 2025 @6:00 p.m.

b) Tree of Hope Campaign asking for financial support which addresses critical needs in cancer research, oncology treatments, and accommodation at the Mgr. Henri-Cormier Lodge.

c) Victoria County SPCA thanking the district for the use of the arena floor this year. Thanks to the maintenance and janitorial staff, who once again, went above and beyond. This year we managed to have a net profit of \$22,237.05 and this remains one of our largest fundraisers.
