

# TESTIMONY

*We all have a "story" that's waiting to be told.*

## TESTIMONY

**A FAITH-BASED STAGE PLAY MINISTRY**

**SERVING CHURCHES THROUGH STORYTELLING, TRUTH, AND GOD'S GRACE**

### SYNOPSIS

5th Sundays are always Testimony Sundays at Greater Redeemer Baptist Church in Drama, La, where the peacemaking, passive, but powerful preaching Rev. Johnny Jenkins is Pastor. The church is anchored and empowered by the eldest member of the church, Sis. Ida; the bible toting, scripture quoting mother of the church. Typically, your "regulars" give an account of everything they have accomplished since the last testimony service, but things are shaken up when the monotony and routine of everything is challenged and what started out as a normal Sunday turns into a day no one will soon forget. With strong personal testimonies from some unexpected guests, paired with the comical rhetoric of Deacon Brian and Sis Rose, the members of Greater Redeemer are taken on a spiritual and emotional rollercoaster ride. As the day goes on, facades give way to transparency, hurt gives way to healing, and fear surrenders to faith and forgiveness. Driven by a score of some of the most powerful gospel songs past and present, "Testimony" is a soul stirring look.....at ourselves.
