-  Holiday - Collection may be delayed by one day
-  Trash and Recycling collection
-  Trash & Recycling Cart Removal
-  Trash Collection **ONLY**

Your Hilltopper provide Refuse & Recycling cart(s) will be **removed** on **Friday, March 27th 2026**. Please make sure that both of your carts are placed by the road edge no later than 5:00am on this date. If carts are not out by the road edge, a cart replacement fee will be assessed to the home owner. Trash & recycling will also be emptied this day.

Refuse & Recycling carts must be placed out for collection no later than **5:00 AM** on your day of collection.

All material *must* be placed inside of the cart, and the lid(s) must close. Any material outside of the cart *will not* be collected; if you have additional refuse bags for collection that will not fit in your cart, please contact us for arrangements.

If you have questions, please contact the Hilltopper Refuse & Recycling office directly at (608)-783-6727.

Do **NOT** place **Lithium batteries, full aerosol cans, E-Waste, wet paint, or yard waste** in your refuse or recycling cart - please contact us for proper disposal tips!

Place carts 3 feet away from mailboxes, cars, power poles, and any other objects to avoid missed collection!

The below items are okay to be placed in your recycling cart and do not need to be separated.
When in doubt, toss it out!
