

Weekend Mass Announcement 8-10-25

Over the next few weeks, Mass time changes will be discussed among the five sister parishes. Here at St. Margaret Mary, we'll need to discern together which of our Masses may need to be adjusted.

Father Mark, Father Francis, and the Pastoral Council are working to develop options that could work well for our parish. A parish-wide vote will take place the weekend of August 23rd and 24th.

To make sure you receive this information in a timely way, our hospitality ministers will now be handing out Stay Connected cards. Please take a moment to fill one out so we can ensure your contact information is up to date.

If you're a visitor to St. Margaret Mary, we'd love to hear from you too—just make a note of that in the feedback section on the back of the card.

Thank you for your support, and please keep this process in your prayers.
