## PLAYER OF THE MATCH

Congratulations to Peyton from our U14 Girls Interleague side, named Player of the Match! A standout performance in tough, muddy conditions but she made the most of it and had a ball. A proud moment for Werribee

## HARD WORK PAYS OFF IN FIRST EVER WIN!

A major highlight from the weekend, our U14.3 team celebrated their very first win!

Such a monumental moment that shows how turning up each week and putting in the hard work truly pays off.

Huge congratulations to all the players, coaches, and supporters!

Head to our TikTok to see how the boys celebrated!

## DISTRICTS NETBALL DELIVER

Halfway through the season and our netball girls have given us plenty to be proud of. There's been so much to take away already and just as much to look forward to in the second half of the season.

Each week our four teams step out and represent Werribee with determination, teamwork and pride. No matter the result, they hold their heads high, play with heart and give it their all from start to finish.

It's smiles all round, plenty of fun and the girls have been outstanding. They're building something special and showing what Districts is all about!
