PICK UP AND DROP OFF

Camp begins Saturday morning and finishes Sunday afternoon. Exact time and location details will be in the camp information email.

The campsite location is a surprise to campers - this is a safety precaution. We can inform parents/guardians in advance if requested.

Campers must be dropped off/picked up.
We are not able to offer individual rides.
The meeting place for camp is in Christchurch (Hornby), from there we travel out to camp as a group in vans/vehicles.

IMPORTANT GEAR NOTICES

A packing/gear list will be sent in the camp information email, though there is no special gear needed.
Personal and appropriate clothing items, toiletries and bedding make up the list.

To make sure everyone can have a safe and fun time at camp we don't allow:

- Devices (no phones, laptops etc)
- Vapes / Cigarettes
- Drugs / Alcohol / Weapons
- Anything illegal, age restricted or potentially harmful

MARAE-STYLE SLEEPING

- CDN Trust camps periodically incorporate one or more marae-style teams. This means that these teams participate in all the normal camp activities, but additionally may have some extra cultural elements, will sleep in a mixed-gender room which will have an open environment with experienced leaders. Separate, individual, gender-neutral cubicles are available for all changing, toilets and showering. No one is to change in an open-cabin environment.
- It is CDN Trust policy that in order to make camp a safe, enjoyable and inclusive place for all children, if your child is gender-neutral, trans-gender, is more comfortable in an open-mixed environment or for any reason needs access to an individual changing area then the marae-style team/camp would be best for them. If any of these apply to your child please select the "Definitely Yes" option for marae style camping when completing the online application form.
- Whilst we are striving to accommodate all young people and their needs on camps, unfortunately, we are unable to offer marae-style teams on all of our camps. If by your preference or our policy, the marae-style team would be required for your young person, we may ask you to register them for our next camp which can accommodate them instead. Please get in touch with the camp director if you would like to discuss further.
- **Please note for Summer Teen Camp our accommodation is cabins with separate boys/girls cabins for sleeping, thus we will not have any marae-style groups or sleeping.**

PROGRAM & SAFETY DETAILS

- Staff and volunteers are trained in health and safety and leadership skills. We always have at least one Leader trained in first aid on every program.
- Staff to child ratio is max 1:10 (Leader/Camper) for activities at a base, and 1:6 for programme's away from a specific venue.
- We are a Christian organisation and we will share some biblical principles on this programme.
- Young people must wear proper, appropriate and safe clothing for all activities.
- Please be aware that because safety is our first consideration our policy needs to be strictly adhered to. Parents will be phoned if their children are causing disruption to the programme. Parents must be able to pick up their child from events/camps/programmes if necessary. Where serious harm may occur the child/children will be removed immediately.
- If camp is full, you will be put on a waiting list. Registrations are generally taken on a first come-first serve basis, however we reserve the right to also accept or decline registrations on the basis of special need and specific programme requirements.

ILLNESS & CANCELLATION

- We will continue to be vigilant with measures to mitigate any risk of illness including covid-19 and ask any staff, volunteers or campers who are ill not to come to camp.
- In the unlikely event that your child were to fall ill during camp, or that we have to reduce our camp numbers due to staff or volunteer sickness, we would contact you immediately and you would need to pick up your child straight away.
- Generally our events will proceed regardless of the weather, however some activities are weather and availability dependent. If we are forced to change activities due to circumstances out of our control we cannot refund fees.
- In the unlikely circumstance we need to cancel camp due to circumstances out of our control we will communicate via email and or text message as soon as possible.
