WORDS FROM HBDA

Happy 2024!!!!

We hope all of you had a wonderful holiday season and survived the cold snaps we have had so far.

With a new year ahead of us, we have embraced our “January energy” and plan to extend it throughout the year with a fresh attitude and vision for HBDA. Some of the opportunities we are embracing are new partnerships, revitalizing past programs, a refresh on our social media outlets, and opening doors to new avenues for growing our membership.

We look forward to the growth opportunities that lie ahead for HBDA in 2024. We are committed to the success of all of our programs, and to our mission. We value the relationships we have built with our members and our industry partners and look forward to sharing in the success of this journey with you.

Sincerely,
Vicki
and
Amanda

YEAR END LUNCHEON 2023

Thank you to all who attended our Year End Luncheon 2023 at Children's Harbor! It is always such a blessing to get together with everyone one more time before we get busy with the holidays. A good time was had by all and we ended the year with a cheerful and thankful heart for 2024!

Our sponsors shared their company's commitment to HBDA and to the bleeding disorders community for 2024 and beyond.

We hope everyone had a blessed Christmas and New Year holiday and we look forward to serving all of our members in 2024!

YEAR END LUNCHEON EXHIBITS 2023

CLOT Line Assistance Program

Members:

If you are going through a difficult time, please remember, your HBDA family is here for you!

If you need assistance due to an unexpected circumstance, please reach out to us.

**Congratulations to our Mission Partner,
Children's Harbor, for acquiring their
ACA accreditation!**

HBDA has been the recipient of a facilities grant from Children's Harbor for the last 14 years, and during that time our partnership has grown exponentially, and the value they have awarded HBDA has grown as well. We have made friendships that will last a lifetime!

*Thank
You*

Let's make today brilliant.

Takeda is here to support you throughout your journey and help you embrace life's possibilities. Our focus on factor treatments and educational programs, and our dedication to the bleeding disorders community, remain unchanged. And our commitment to patients, inspired by our vision for a bleed-free world, is stronger than ever.
