ABOUT SHARI

Shari J. Ryan is a *USA Today* Bestselling Historical Fiction writer. Her desire to write stories revolving Jewish livelihood during World War II stems from being a descendant of two Holocaust survivors. After the passing of Shari's grandmother, she pursued an active interest in learning more about the inherited stories she yearned to understand better.

Shortly after earning a bachelors degree from Johnson & Wales University, Shari began her career as a graphic artist and freelance writer. She then found her passion for writing books in 2012. In 2016, Shari began writing her first Historical Fiction novel, *Last Words*, a story about a lifelong journey through the eyes of a Holocaust survivor. With two character related books to follow, Shari quickly found a new passion to share untold World War II stories with a fictional setting.

A lifelong New England girl, Shari is happily married with two wonderful sons and a spunky Australian Shepard, who fits right in with the family.
